

Welcome to the Big Red Barn!

CHECK-IN INFORMATION

CONTACT/ADDRESS

The address is **1 Mound Avenue, Kenwood CA, 95452**. Catherine's cell & text number is **707-484-7228**, email **moylan@sonic.net**. We are generally very quick and responsive, but in the unlikely event we don't get back to you quickly, you can call our landline at **707-833-2060**.

There is a **gate code** at the bridge to get onto the property.

We will email or text you this number prior to arrival. **You will need this to get in!!** Note the gate opens automatically when you leave by car, and if leaving by foot, you will need to press a button on the left side of gate which we can show you.

TIME OF ARRIVAL/ Check-In

Check-in time is officially 3:00pm. If you require something different, please let us know and we will do our best to accommodate you. On occasion, we will allow self check-in if you will be arriving past 10:00pm. Earlier check in is generally no problem, but please alert us in advance. **We ask that you provide your expected arrival time upon booking.** Then text us at 707-484-7228 when you are actually on your way here and have a more specific idea. (We are usually onsite but knowing your ETA helps us to plan around your arrival).

Check-Out

Check-out time is 11:00am. We are usually quite flexible on this so if you think you will need a later check out let us know in advance and we can probably work something out. Please say goodbye either in person or via text- We'd like to know when you are off and hope you had a great time.

PARKING

Park anywhere next to the horse pasture on the West side of the property... along the edge of the parking area, next to the rustic fence and painted cow.

WI-FI

There is no password needed. Connect to OneMound if prompted.

Cell Phone

If you are an AT&T user, provide us your cell number in advance and we will at it to our "booster" so your coverage will be better on site. Other carriers come in fine.

House Rules

- Please use coasters to protect the coffee, end, and dining tables from water rings.
- Nobody would smoke inside, right?
- Be gentle with the shades.
- When you are leaving, throw the wet towels in the shower stall, not on the wood floor because moisture damages wood.

Other Useful Stuff

COFFEE

There are beans, a grinder and a French press, etc. etc....all out on the counter so you can find them.

TOWELS

There are towels hung for your use. If you need more, you can find them in the linen closet to the right of the sink in the bathroom.

AC and HEAT

The thermostat is on the left just outside the bedroom door (as you face the bedroom). You usually don't need to use heat or air conditioning, but feel free to make yourself comfortable. If you'd like some heat, the little "wood" (gas) stove in the living room is a lot sexier, and will heat the whole space quickly. As you face the stove on the back left-hand corner, you will see a rocker switch to turn it on.

TELEVISION

There is streaming NetFlix, as well as regular Comcast cable service. There is also a DVD Player.

CURTAINS/BLINDS

We have positioned the blinds in the living room and bathroom in such a way as to give you privacy from the main house. If you decide to open or close any of them please be very gentle. It is chiefly these blinds which prompted us to require a \$1,000 damage deposit. They are expensive and delicate...so just pull softly, they work just fine. Thanks for your cooperation!

KITCHEN

Feel free to use all kitchen equipment, supplies, and staples. Please let us know if you use up something (flour, sugar, coffee, tea, jam, etc.) completely. If you have any questions about how to find or use something, don't hesitate to ask. Help yourself to anything in the kitchen!

LAUNDRY

There's a washer and dryer in the garage closest to the stairs. There are directions for use posted on them. Detergent is provided in the pedestal drawer under the dryer.

BICYCLES

We have four touring bicycles and helmets available for your use. They are first come, first served. Usually there is no problem getting them as you need them.
