CONTACT/ADDRESS

The address is **1 Mound Avenue, Kenwood CA, 95452**. Catherine's cell & text number is **707-484-7228**, email **moylan@sonic.net**. We are generally very quick and responsive, but in the unlikely event we don't get back to you quickly, you can call our landline at **707-833-2060**.

There is a **gate code** at the bridge to get onto the property. We will email or text you this number prior to arrival. **You will need this to get in!!** Note the gate opens automatically

when you leave by car, and if leaving by foot, you will need to press a button on the left side of gate which we can show you.

TIME OF ARRIVAL/ Check-In

Check-in time is officially 3:00pm. If you require something different, please let us know and we will do our best to accommodate you. On occasion, we will allow self check-in if you will be arriving past 10:00pm. Earlier check in is generally no problem, but please alert us in advance. **We ask that you provide your expected arrival time upon booking.** Then text us at 707-484-7228 when you are actually on your way here and have a more specific idea. (We are usually onsite but knowing your ETA helps us to plan around your arrival).

Check-Out

Check-out time is 11:00am. We are usually quite flexible on this so if you think you will need a later check out let us know in advance and we can probably work something out. Please say goodbye either in person or via text- We'd like to know when you are off and hope you had a great time.

PARKING

Park anywhere next to the horse pasture on the West side of the property... along the edge of the parking area, next to the rustic fence and painted cow.

WI-FI

There is no password needed. Connect to OneMound if prompted.

Cell Phone

If you are an AT&T user, provide us your cell number in advance and we will add it to our “booster” so your coverage will be better on site. Other carriers come in fine.

Other Useful Stuff

When you arrive you will find a Creekside Cottage “manual” with much more extensive information on restaurants, things to do, places not to miss etc.

COFFEE

There are whole beans, a grinder and a French press, etc. etc....all out on the counter so you can find them.

TOWELS

We have hung towels for your use in the bathroom. If you need more, you can find them in the bathroom closet, on the left side of the shelves. There are also dog towels, which are light brown, available. Use as many as you need. Please do not use the white guest towels on your dog. Also, please cover any furniture with these towels if your dog is prone to sitting there.

AC and HEAT

The thermostat remote is on the wall behind the bedroom door. Make yourself at home. You usually won't need heat or AC here. If you crack the windows and use the fan, it is generally very comfortable.

TELEVISION

There is streaming NetFlix, as well as regular Comcast cable service. There is a DVD player as well.

CURTAINS/BLINDS

Adjusting the blinds: with two hands, gently lift up or down, keeping the blind level as you go. It is chiefly these blinds which have prompted us to require a \$1,000 damage deposit. Thanks!

KITCHEN

Feel free to use the kitchen equipment, supplies, and staples you find there. Let us know if you use up something (flour, sugar, coffee, tea, etc.) completely or if you need some spice we may have in the house. If you have any questions about how to find or use something, don't hesitate to ask. Help yourself to anything in the kitchen.

LAUNDRY

There's a washer and dryer in the barn garage in the third garage bay farthest from where you are staying. There are directions for use posted on them. Detergent is in the pedestal drawer under the dryer.

DOG

Please pick up your doggy poop. We provide plastic bags for this. We will show you where the outdoor trash is located for your waste bags.

BICYCLES

We have four touring bicycles and helmets available for your use. They are first come, first served. Usually there is no problem getting them as you need them.
